COMMUNICATION

- Branching Signal in the U.S. Army which captures communication and technology and applies them together
- In teams, I can communicate ideas and execute them with input from the entire team.
- I understand the use of the chain of command and follow proper protocol while still applying critical thinking
- I can delegate work without delegating responsibilities.

LEADERSHIP

- Army ROTC: Company XO, Assistant S3
- Army JROTC: Battalion commander
- Lions Club President

Experience

TEAM MEMBER| PENN STATION EAST COAST SUBS | SEPTEMBER 2012 – MAY 2013

- I worked with team members of all ages while adapting to an evolving environment.

DELIVERY DRIVER | SNAPPY TOMATO PIZZA | MAY 2014 SEPTEMBER 2014

- I made timely deliveries while managing multiple orders, so I had to route plan and manage orders. I was also responsible for all the money collected when I had to cash out at the end of the day
